After years of patient study and delving into the dusty records of the past as well as following modern experiments in the realm of medical science, Dr. James W. Kidd, 1233 Baites building, Fort Wayne, Indiana, makes the startling announcement that he has surely discovered the elixir of life. That he is able

DR. JAMES WILLIAM KIDD.

With the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his elixir of life, and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free, to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, catarrhs, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, sciatica and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy it will be sent you free by return mail.

Southern Fruit and Vegetable Growing.

The fertile lands along the Louisville & Nashville R. R. in Alabama, West Florida and Mississippi are veritable bonanzas for the fruit grower and truck gardener. One man can grow on one single acre, 100 barrels of radishes for \$300.00, gross; another patch of 4 acres radishes yielded \$1,463.00, net. In the spring of 1902, another truck gardener sold 300 barrels of potatoes in Pittsburgh from 3 acres of ground for \$1,543, and after paying all expenses, cleared \$392.00, or \$327.33 per acre. Within two weeks after selling his potatoes, corn was up and watermelon vines were running on the same land. He harvested his corn, sold his melons, and afterwards sold two crops of hay off of the same land, and on January 30, 1903, was planting it again in potatoes. Strawberries yield from \$300.00 to \$500.00 per acre, as high as 12,480 quarts of luscious berries have been grown on a single acre. Address

Hall Summit Physician in a
Damage Suit.

Patient Claims He Was Given
Wrong Medicine.

HIS TEETH FELL OUT.

Charge That Too Much Calomel
Was Administered.

The Physician Will Vigorously
Contest the Case.

Burlington, Kas., July 23.—Dr. O. P. Wood, of Hall's Summit, is the defendant in a suit for damages that is somewhat out of the ordinary run of cases in this county. J. P. Stukoy is the plaintiff, and J. L. Wolfe is his attorney.

Mr. Stukoy sues for \$1,010 damages for injuries which he claims are due to the medicine given him June 19 by Dr. Wood. He claims that Dr. Wood gave him mercury and calomel in excessive amounts and with undue frequency, and without telling him what their effects would be. As a result of Dr. Wood's treatment he claims that he was salivated "and thereby suffered great pain of body and mind, becoming very sore in his bones and muscles of his body, and causing plaintiff's mouth, tongue, cheeks, palate, lips and gums to become very sore and painful and to putrefy and lose hold upon his teeth, causing them to loosen and separate from their sockets and to become so loose that they would shake from the gum by their own weight, as if hung to the gum by a string or other flexible connection; and totally destroying plaintiff's teeth, thereby greatly inconveniencing him in the future mastication of his food and injuring and endangering his life and health for the balance of his lifetime by being compelled to subsist on food improperly and insufficiently masticated, thus necessitating employment by plaintiff of other medical assistance."

On account of the injuries above set forth, Mr. Stukoy asks for \$500 damages for pain and suffering of body and mind, \$250 for future inconvenience on account of the injury to his teeth, \$250 for future damage to his life and health, and \$10 for medical attention.

It is understood that Dr. Wood will fight the case, and that he has retained Ganss & Hansen to defend him.

TWO MILLION BUSHELS.

Decatur County Has a Wonderful
Wheat Crop This Season.

Oberlin, Kas., July 23.—O. L. Benton estimates there will be not less than two million bushels of wheat raised in Decatur county this year. The \$5,000,000 acres of grain is practically harvested. The crop is the largest and the berry the best the county has ever known.

Mr. Benton is of the opinion the value of the grain will exceed one million dollars, which is equal to \$100 for every man, woman and child living in the county.

T. B. Wolfe is the first farmer in the vicinity of Oberlin to do any threshing. He said, after threshing close to \$2,000 a year from the sale of butter fat.

There is a big demand for residence houses in Oberlin. Every house in town is occupied, and at the present time residences are in course of construction.

The Northwest Kansas Real Estate and Abstract company, incorporated in a few business days by Oberlin, is a consolidation of the real estate and abstract business of Geo. W. Keys, Guy L. Conklin, J. C. Latorre, Chas. V. Page and H. F. Noyes. The new company will transact business in Decatur and adjoining counties.

The prospect of an oil at Kanona, Decatur county, has reached a depth of 1,500 feet, and the drilling is still in progress. The last eighty feet has been in solid sand and rock, and the oil entered a stratum which C. A. Fisher, of the United States geological survey, says is similar to the sand in which oil is found in Wyoming. The oil is bubbling over the oil indications.

Oberlin will give her first street fair and carnival in September, the dates to be held as soon as the attractions can be secured. As the town has never failed on any enterprise, and as her people always give the visitors the best of their money, this street fair and carnival will eclipse any other attraction of a similar kind ever held in northwest Kansas.

The Decatur County Co-operative association, incorporated, and similar to stores in Osborne and Hill City, has started with wonderful success since it started up less than a year ago. The stockholders are the best farmers, and prosperous and well-to-do. They also own an elevator in Oberlin, and will handle grain as well as operate a general store. It has been proved a valuable investment.

A. H. McGee, who built and operated the first grist mill in Oberlin for seventy years, has been here for the winter in Colorado. He has been a valuable citizen to the town, and his loss of admiring friends will wish for his return.

Rev. J. C. Anderson, who has been pastor of the Oberlin Episcopal church for the last year, has moved to Dodge City, where he will take charge of the church. When he leaves he will leave a membership of 21, and during the year 11 have moved away. Yet the denomination has secured lots and will build a church in the future. Rev. Anderson has averaged traveling about 600 miles a month preaching in Goodland, Hoxie, St. Francis, Norton, Logan and Kirwin besides farmers, Goodland and Logan are the only places where the Episcopalians have churches. The membership in Norton has grown to almost double its former number when Mr. Anderson took charge, and the Goodland church has grown from six communicants to 37.

Oberlin is the headquarters of all who visit the place. It is the hospitable, progressive county seat of Decatur county. It has grown despite her railroad indifference. It is a place where it is worthy of better railroad facilities. Her business men have prospered as have those in few other county seats. Go where you will you cannot find more sociable and prosperous than here. And Decatur county farmers are getting rich in raising alfalfa, stock and grain. Her schools and churches are good as any, her grist mill, elevators, two banks, three newspapers, telephone, creamery, court house, waterworks, opera house, oil indications, two lumber yards, large business firms and

Both Men Claim to Be in Pink
of Condition.

New York, July 23.—A fight between George Gardner, light heavyweight champion of the world, and Robert Fitzsimmons is now practically assured.

Gardner, through his manager, Andy Craig, has posted a \$15,000 forfeit to his match with Fitzsimmons, who is in San Francisco that he will accept Gardner's challenge, and the battle will probably be pulled off at the International Athletic club at Fort Erie on Labor day.

Craig said: "Gardner is ready to fight at any time. Fitzsimmons has been sidestepping him right along, but I think this will bring the Cornishman to terms. Gardner will fight for twenty rounds or twenty-five, and will box with the club offering the best inducements."

"Jack Hermann, manager of the Fort Erie club, has offered a \$15,000 purse for the 20, and has assured me that if the match goes there he will post a forfeit as soon as the terms are arranged."

"I see Fitzsimmons says there must be a stake bet. I will accommodate him on that, all right. I'll back my man to the limit."

"It's up to Fitzsimmons now. My man is not a quitter. If he means business, let him come forward."

Fitzsimmons, when seen by a correspondent at James J. Jeffries' training camp at Harbor Springs, Cal., said: "I will meet Gardner just as soon after the Jeffries-Corbett fight as I can. I would like to have the fight take place the same week, but, of course, it can't come off until after the Jeffries fight."

"I have received very good word of my work with Jeffries than I ever could have had with a crops of fifty sparring partners. I feel I have done equally as well as Jeffries, and he is feeling in superb shape at present."

"Of course, I think Jeffries will win. I can't figure how Corbett can possibly beat a man like Jeffries."

"I would like to step into the ring with Gardner this minute. They say I am too old. All their talk is nonsense. Each year I feel more about the fine points of the game than I ever knew. This California air is great. It makes you big and strong and different kind of life in you. I feel 100 per cent better now than before I came here."

"Well, about my fight with Gardner, I said, 'I'll meet Gardner just as soon after the Jeffries-Corbett fight as I can. I would like to have the fight take place the same week, but, of course, it can't come off until after the Jeffries fight.'"
